Thank you so much for choosing Hope's Bridge for your donation location. We realize that when considering which non-profit to support that you have many choices and we value and appreciate you for choosing us.

Annually we serve on average just at 200 families per month and the only way that we continue to serve is strictly based upon your donations. We have an annual operating budget of just at \$60,000 and it is met by your generosity and kindness. Your donations allow us to host several huge events throughout the year including a Foster Parent Appreciation Dinner, county wide Easter party, A summer bash, A back to school event, A Fall Festival, and of course Christmas. We cannot do any of this without your help.

Thank you again for your continued support and for deliberately making Hope's Bridge your nonprofit of choice as we link arms to bring the gospel message of hope to the most vulnerable.
